### ABOUT ME

My primary objective is to work as an Animation Artist, but I am expressing interest in any positions you may have available. In Relation to 2D Animation, editing and compositing which I can provide additional examples upon request. With my background in 2D Animation, I am confident that I would make myself a very successful and creative asset required for your Organization; I have been exposed to a number of aspects from the world. My experience as a 2D Animator at the Museum of Creative Companies for a long time demonstrates my capability of working with others through the creative process of production while meeting the challenges presented to me. Also, my education in 3D Animation has allowed me to learn the nuances of people and has provided me with the good investigative and analytical skills that will suit your needs for required assistance.
