- **Eyes on the Gnats-** India's offensive across the border on September 6, 1965, saw Punjab's border districts of Amritsar, Firozpur and Gurdaspur in the line of the fire, smoke and confusion. For ordinary people, daily privations, often destruction of home and hearth, were inextricably coupled with pride in their jawans, anguish in the reverses at Khem Karan and elation at the armour-splitting victory in Asal Uttar. Citizens from the border towns who lived through the 1965 war recount their experiences Read here <http://www.outlookindia.com/article/eyes-on-the-gnats/294348>

SKILLS & COMPETENCIES

- I am an individual with a creative outlook. My abilities and my ideas are unique and actionable. I have, in the past, introduced radical ideas regarding coordination and filing in my previous organisations. I can report, write features and have basic skills in making pages, editing, using web tools as well as basic video and editing skills.

- My interests include fine arts, theatre and sketching; I have also participated in debates, theatre performances and extempore speaking in school and college.
- I am a food enthusiast, fashion fanatic, enjoy travelling and love reporting about different cultures.
