**EXPERIMENTAL LEARNING (PROJECT WORK)****▷ Video Conferencing without PC :**

- ◆ For the partial fulfillment of B.E I was involved in the project named Video Conferencing Without PC. The Project involved transfer of video data without the use of PC. For that purpose we decide to use matlab, because of image capturing facility along with transmission & reception of images.

**▷ Smart Controller :**

- ◆ For the partial fulfillment of Diploma in B.E. (E & TC) I was involved in project named Smart Controller. The project was on home automation domain. This involved automatic controlling of home appliances depending on number of persons entering, living or staying in the house.
