

RESUME

ASHITOSH MALLIKARJUN ANKULGE

B.E.(Electrical Electronics and power)

[M.Tech(Electrical Power System)]

Cell: +918149018902

E-mail: ashutoshankulge@gmail.com

Objective

Seeking a challenging job opportunity in Electrical field, which will allow me to implement my acquired knowledge & make me work harder towards my aim in this world of advance technologies.

Snap shot

Effective communication skills, Prototype planning & execution with strong problem solving & organizational abilities.

Gate score

Gate score:- 21.33

Training

Organization:- M.S.E.T.C.Ltd Latur 220kv substation

Duration:- One month

Project

B.E.:-

Reactive power and voltage control by using mat lab Simulink:-

In this project we control the reactive power and voltage fluctuations by using simulation diagram and mathematical laboratory.

M.Tech:-

Power quality improvement in grid connected renewable energy sources at

distribution level:- This presents a control strategy of three phase four wire grid interfacing inverter to effectively utilize the renewable energy Source with grid.

Controlling of inverter in such a way that to utilize the following function 1) compensate load current (i.e. reduce harmonics), 2) compensate load voltage (i.e. reduce harmonics), 3) compensate load reactive power and load neutral Current.

The Renewable Energy Source may be Solar or Wind depends on distribution system voltage level. All these works of the inverter is done either individually or combined to overcome the unbalanced effects of all types of linear, non-linear, balance or unbalance loads at distribution level.

Extracurricular activities

1. Industrial visit to load dispatch centre kalwa and 500kv hvdc s/s padhge
2. Visit to thermal power generating station parali.
3. Worked as treasurer in power association.
4. Got first prize in poster presentation.
5. Participated in various sports and cultural activities.

Strength & Skills

1. Basic knowledge about matlab
2. Innovative nature helps in my professional to reach the perfection.
3. Dedication and optimism are my key strength that helps me to progress ahead. Self-discipline and curiosity of learning more always keeps me on the front foot.
4. Flexibility with respect to technology/platform.
5. Leadership
6. Adaptability
7. Optimistic

Academic Credentials

Exam Passed	Institute/University	Year of passing	Percentage
M-TECH	TRR COLLEGE OF ENGINEERING, HYDRABAD	AP(II nd Year)	AP(II nd Year)
B.E (EE&P)	M.S.BIDVE ENGINEERING COLLEGE, LATUR	2012	68.75%
H.S.C	Latur Board	2007	47.00%
S.S.C	Latur Board	2005	58.80%

Personal Details

Name:- Ankulge Ashitosh Mallikarjun
Date of Birth:- 11/04/1990.
Current address:- Shivaji Nagar, narveer tanaji wadi
Pune-411005
Email:- ashutoshankulge@gmail.com
Phone No:- 8149018902

Hobbies

Playing Cricket, Listening music, travelling.

Declaration

The above information is true to the best of my knowledge and belief.

Date:

Place:

Ankulge Ashitosh Mallikarjun
