## Synopsis

---

- ⇒ Self-driven and keen to learn, a Mechanical Engineer with proven experience of Three years pertaining to production planning & control, operations, New project implementation, Logistics & Shipping, Customer Service and Supply Chain Management across Electronics industry sectors.
- ⇒ Mechanical Engineering graduate having good knowledge of Operations in Electronics industry, Expertise in using ERP system & controlling entire breadth of production flow, materials & procurements of parts.
- ⇒ Seeking challenging assignments in globally focused organization in an environment of growth and excellence to help me achieve personal as well as organizational goals.

---

## Employment Recital

---

- ⇒ Jabil Circuits India Private Ltd: (2 Years) - From 13th Nov'14 to till time as a Production Planner in Materials Department.
- ⇒ Larsen & Toubro Ltd: (1 Year) - From June'12 to Dec'12 and Dec'13 to June'14 as Intern.

---

## Core Competencies

---

### 1. Jabil Circuits India Private Limited, Ranjangaon, Pune.

- ⇒ Demand Sizing based on the properly authorized customer demand, analysis will be done for material and capacity requirements and communication constraints to business and work cell. Once sizing is complete, efficient master production schedule is created.
- ⇒ Reconciliation of MPS to customer PO coverage weekly to ensure Jabil is in permissible limit of customer given demand. Ensures master production schedule is 100% accurate and achievable.
- ⇒ Capacity calculation for work cells machines and to evaluate capacity against production schedule in order to achieve 100% matrix maintained by Jabil using CAP Model tool.
- ⇒ Functioning as a work cell expert on all planning activities like manpower requirements, capacity planning, shipment planning so as to achieve given commit to customer.
- ⇒ Generation of Sales order in ERP system. Processing of order for planning, procurement and production with release of bought out item requisitions and work order for assemblies from manufacturing plant.
- ⇒ Coordinated with production for FG readiness and updated order status to sales team / customer by time to time follow up with internal departments.
- ⇒ Generation and reporting of internal Reports on purchase and planning, inventory cost, on time delivery & MPS performance to evaluate performance and taking corrective actions to meet expectations of Jabil as well as customer.
- ⇒ Acting as a subject matter expert for SAP PLM which maintains engineering changes of product to ensure accurate components are getting used in manufacturing of products.
- ⇒ Generation of EC in PLM or Agile and effective implementation with coordination of cross functional team.
- ⇒ Creation of bill of materials for new products, maintaining approved vendor list, Customer master creation, Material master creation in system for correct procurement of parts.
- ⇒ Maintain FIA in case of variation in forecast or if any ECN
- ⇒ Focus on optimization of run quantities, minimum changeovers
- ⇒ Documentation of production processes of production planning and control to give training to new joiners.

## 2. Larsen & Toubro Ltd, Ahmednagar.

- ⇒ In-plant training during third year and final year of Mechanical Engineering (Sandwich Pattern).
- ⇒ Controlling entire breadth of new project implementation flow right from receive of design drawing till finished product reaches to customer including requirement analysis, vendor visit for tool trials and testing activities.
- ⇒ Proactive participation in various cost saving and productivity enhancement workshops and working in a team to resolve issues which will then lead to better performance.

### Achievements

---

- ⇒ Successful implementation of SAP PLM module in plant which manages Engineering changes in product and their successful execution during go live to production.
- ⇒ Preparation of training documents for tools used in planning department for EC changes
- ⇒ Jabil LSS Bronze Certified.

### Specialized Knowledge Area

---

- ⇒ Material Planning & Production Control
- ⇒ SAP (PP, MM & PLM Modules)
- ⇒ Basic Lean Manufacturing using Six Sigma tools.

### Academic

---

- ⇒ Bachelor of Mechanical Engineering from VACOE (Pune University) with 72.84% in June 2014.
- ⇒ Diploma in Mechanical Engg from Govt. Polytechnic, Ahmednagar with 80.06% in June 2011.
- ⇒ SSC from NESH (Pune University) with 88.30% in July 2008.

### Trainings Undergone

---

- ⇒ Basic LSS
- ⇒ Basics of MS Excel training

### Personal Details

---

Name	: Kiran Rangnath Chavan
Date Of Birth	: 22 <sup>nd</sup> October 1992
Permanent Address	: A/P-Hingangaon, Tal-Nagar, Dist-Ahmednagar. Pin-414103
Current Address	: A-702, Emerald Isle, Behind Wagheshwar Temple, Wagholi- 412207
Sex	: Male
Marital Status	: Unmarried
Nationality	: Indian
Languages Known	: English, Hindi, Marathi

### Declaration

---

I hereby declare that all the statements made in this resume are true and complete to the best of my knowledge and belief.
