## **OBJECTIVE:**

To use my skills as a copywriter and be part of a team where I can be directly involved in creation and strategic presentation of content, with a view to yield desirable results for the client.

## **WORK EXPERIENCE:**

### **TANSHIKII TECHNOLOGIES**

**October 2011 to September 2012 (1 year)**

**Post: Content Developer**

The role involved working with the inputs given by various clients, devising a proper promotion plan to cater to both the short-term and long-term goals. Content creation for outdoor as well as indoor promotions, the role required an understanding of the influence and reach of each medium. Short crispy catchphrases for the newspapers, descriptive leaflet and brochure content for handout purposes, elegant yet simple content for websites, were delivered on a regular basis.
