## Technical Skills :-

1) **Undergone in  Analytics Training Institute , Koramangala Dec 2016-Feb 2016**
   SAS: Data Manipulation and SAS Programming
   Excel : VBA, Macros, Advanced Excel
   R : Vectors, R Functions, Matrices
   Analytics Base
2) **Trained in Java**
   **Java:**
   ❖ Strong in OOPS Concepts like Inheritance, Polymorphism and Encapsulation
   ❖ Collection, Generics
   ❖  Exception Handling & Threads
   ❖ Basics of File Handling

   **J2EE:**

   ❖ JDBC
   ❖ API & Driver
   ❖ JDBC Architecture
   ❖ JDBC Statements, JDBC Transaction
   ❖ Session Management, cookies
   ❖ Servlets LifeCycle, Knowledge on JSP Lifecycle

   **Spring:**

   ❖ Understanding of IOC and Dependency Injection

- ❖ Knowledge on Beanfactory, Application Context
- ❖ Understanding of MVC application pattern
- ❖ Understanding of software subversion

**Web Technologies:**

- ❖ Knowledge on HTML,CSS
- ❖ Basics of Javascript (Form Validation)

**SQL:**

- ❖ RDBMS
- ❖ Good knowledge in writing SQL queries [DDL,DML,DCL statements].
- ❖ Knowledge of Oracle 10g and MYSQL database.
- ❖ Knowledge of writing queries using joins

**Networking:**

- ❖ Well Knowledge and skills necessary to install, operate, and troubleshooting a small branch of office enterprise networking.
- ❖ Knowledge of configuring a switch, a router and connecting a WAN and implementing networking security, Trunking in Switch.
- ❖ Knowledge of configure and troubleshooting a small network.
- ❖ TCP/IP based network on CISCO Devices.

**Trainings & Certifications :-**

- ❖ Pursuing Analytics Training from Analytics Training Institute ,Koramangala.
- ❖ 6 months Training from enEXL Technologies & Solutions Private Limited, Bangalore
- ❖ 4 months Core Java Certification from Jspiders, Bangalore.
- ❖ 1 month College Project in Internal Website Designing .
- ❖ 6 weeks CCNA Training from Netmax Technologies, Chandigarh

**Academic Qualification:-**

| Examination | Year of Passing | Board/University | School/College | Percentage |
|---|---|---|---|---|
| B-tech (Computer Science & Eng.) | 2015 | Punjab technical University, Punjab. | Indo Global College, Abhipur | 72.6% |
| Higher Secondary Education | 2011 | CBSE | Kendriya Vidyalaya | 56% |
| Secondary Education | 2008 | CBSE | Kendriya Vidyalaya | 61.2% |

**Projects :**

1) Company          :         Sunovaa Tech
   Project Title   :         Catering Management for ABB Client
   Role              :         Developer
   Technologies  :         SQL

2) Company          :         Sunovaa Tech
   Project Title   :         Website Testing and Enhancement
   Role              :         Developer & Tester
   Technologies  :         HTML,SQL Server
