To,
HR Department,

Dear Sir/Madam,

I learned of your company through the Google and other sources available on internet.

I have completed Bachelor of Engineering in Information Technology from RGPV University in June 2016.

I had a comprehensive computer background; my emphasis is on ASP.NET, other Software development technologies.

I had also completed 6 month internship in **Spring S Technology** in Bhopal.

I had also completed my Major Project in ASP.NET.

I also have a good knowledge on Computer network, Server system, its Administration and Security.

I would like to have opportunity to meet with Recruitment Cell.

Thank you for your consideration.

Your'sSincerely,

Vipin Yadav
