PARVEZ M. GHADIALY.

Training Experience: 10 Years

Experience:

Knowledge Engineer – Network Security at LANTORIS Pvt. Ltd. (March 2014 till date)	2 years 6 months
Training Specialist(Mumbai, Pune), TTT, RDE(Maharashtra and Gujrat) at NIIT LTD (August 2010 – March 2014)	3 years 7 months
Centre Manager at IIJT Computer Education Ltd System/Network Administrator & Senior Technical Head Managing business, Recruitment, Administration, Quality Delivery of Education, Managing the intra network and central server. (A+, N+, MCSE, CCNA, Linux) (August 2008 – February 2010)	1 year 6 Months
Technical Support Associate at Wipro BPO Process: Bellsouth ISP (Telecom & Broadband Service in South America) Troubleshooting the network, ADSL modem and computer to help customer get online. (Jan 2007 – April 2007)	4 Months
Technical Faculty at St. Angelos Computer Limited • Computer Basics, MS Office, Programming(C, C++, Java, VB6), Hardware and Networking (Including MCSE and CCNA). (August 2005 – Dec 2006). • Faculty-in-charge for Camp, SRPF and Deccan Branch.	1 Year 5 Months
Technical Faculty under Training at St. Angelos Computer Limited: Teaching C, C++, Hardware, Networking. (July 2004 – July 2005)	1 Year 1 Month
Reader Relationship Executive in The Indian Express: Developing relationship between The Indian Express Newspaper and non-Indian Express readers. (March 2004 - May 2004)	3 Months

Free Lancing Training Experience:

Corporate CCNA batch at BMC Software, Yerwada. (July 2015 – August 2015) (Sat/Sun)	64 Hrs
Microsoft Window Server 2008 batch at NIIT, Deccan Gymkhana (January 2015 – July 2015) (Sat/Sun)	150 Hrs
CCNA batch at NIIT, Deccan Gymkhana (February 2015 – May 2015) (Sat/Sun)	80 Hrs
Corporate batch of MCSE at KARROX, Fatima Nagar (6 pm – 8 pm)(1st June 2010 – 16th of July 2010)	60 Hrs
MCSE Batch(3 papers : 294,284,297) at KARROX, Viman Nagar (2 pm – 4 pm) (9th June 2010 – 25th June 2010)	30 Hrs
Corporate batch of MCSE at KARROX, Fatima Nagar (February 2010 – April 2010) (Sat/Sun - 6 Hrs Daily)	72 Hrs

Current International Certifications: MCP, MCTS(Server 2008), MCITP(Server 2008 Virtualization, Server 2008 Administrator), MCSA (Windows Server 2012/2008).

Expired International Certifications: CCNA (August 2010 - July 2016)

Detailed Work Experience:

A) LANTORIS.
   Knowledge Engineer – Network Security.
   1) SME for Network Security
   2) Trainer for CEH
   3) Proposed trainer for CISSP, ECSA and CHFI
   4) Trainer for CEH to the respected DCP of Nagpur/ Principal of Police Training School, Khandala.
   5) Performed with a have-to-complete attitude when Instructional Designer (ID) and Project Manager were unavailable and had to deliver the project to clients on time
   6) Lead SME to create Labs on VAPT of Live Websites (demo.testfire.net, crackme.cenzic.com, tetphp.vulneb.com, testasp.vulneb.com) to demonstrate XSS, SQLi (manual and SQLmap), URL Manipulation, CSRF, LFI/RFI, JavaScript Hacks, Session Hijacking, and Click jacking.
   7) SME for developing Cyber Safe Parenting.

B) NIIT LTD, (Mumbai, Pune)
   NIIT CERTIFED TECHNOLOGY SPECIALIST (NCTS)
   Regional Development Executive (RDE: Maharashtra and Gujrat)
   1) Deliver Technical Training to clients on A+, N+, Microsoft, Cisco, Linux and Solaris Technologies.
   2) Train The Trainer (TTT) for new joiners or for launching new technology.
   3) Conduct Technical workshops and seminars for the clients.
   4) Demonstrated Can-do attitude when C# and Oracle Trainers were unavailable and had to learn these technologies under time pressure and deliver training to clients.
   5) Exhibited team play when concerned C and Data Structure faculty was not available and had to go out of the way to assist.
   6) Conducted Technical interviews for CCNA candidates.
   7) Conducted sessions on communication and aptitude skills for clients seeking jobs.
   8) Nominated for "Mr. FUNTASTIC" for year 2012-2013 out of about 100 employees of Pune Region for bringing fun, cheer and positive energy at work.

C) Karrox, (Viman Nagar and Fatima Nagar)
   Visiting Trainer
   1) Trained Clients as a freelance trainer on Microsoft Technologies recursively, due to quality delivery, through innovative means.
   2) Created a workshop on SAN using STARWIND SCSI SAN and Target softwares to emulate SAN to deliver Clustering and Load balancing features of Windows Server 2003 to Symantec clients.

D) IIJT, Viman Nagar.
   Senior Technical Head and System/Network Administrator
   1) Managing the business and administration.
   2) Technical counselling to clients for career prospective in Server and Networking Technologies.
   3) Leading and managing a team of 6 Technical trainers and 4 Internship Associates.
   4) Design and setup VIRTUAL NETWORK LAB consisting of PHYSICAL and VIRTUAL(GNS3) Routers and Switches
   5) Design suitable topology environments and case studies for training of and implementing routing and switching technologies.
   6) Designing complex topologies and case studies in GNS3 (Network Emulator) and cisco packet tracer for various routing and switching scenarios.
   7) Design and Implement case studies in VMWARE(in-the-box and out-of-box configurations) and Virtual PC for Windows Server 2003 and 2008 concepts.

E) St. Angelo's Computer Education.
   Faculty-in-charge
   1) Check for training delivery quality by evaluating batch start time-end time and client feedback.
   2) Monitor the 3 operational centers in Pune Region.

Some of the TECHNICAL WORKSHOPS Conducted
- A) How RAID 5 functions using distributed parity and XOR operation.
- B) How DHCP's Discover, Offer, Request and Acknowledge actually work.
- C) SAN emulation to understand Clustering and Load Balancing.
- D) How data actually flows between network devices and its relation to OSI model.
- E) Myths about computer technologies.
- F) Developing Logic through C Programming.
- G) Automating copy/paste to a USB drive using power shell.

Education:

Qualification	School/College(Year)	Percentage
S.S.C.	New English School(Pune) (2001 - 2002).	80.40%
H.S.C.	Nowrosjee Wadia College for Science and Arts. (2003 - 2004)	65.67%
Computer Engineering	IETE, Delhi (2004 - 2010)(Not appeared in 2009 Exams due to Job)	7 CPGA Points

Other Technical Projects:

1) Infrared Remote Control Receiver for COMPUTER.
Last year final engineering project. Designed an Infrared Receiver for the computer which can be connected to the serial port to control the computer using any TV remote Control. Functions involve moving the mouse cursor, Multimedia control (volume, pause/play, etc.), Keyboard Simulation, Browsing through the computer, User Defined Controls. etc.
Helps making of a Home Theatre PC (HTPC) possible in small budget.
Software Used: Turbo Infrared Engine, designed in VB 6 for reading the WINLIRC infrared analyzing engine and taking corresponding action.

2) Scan Documents using an optical mouse.
Modified the circuit of the optical mouse to scan text in Black/White and transfer it to the computer. Designed this as primary engineering project on understanding how an optical mouse works.
Software Used: ReadMouse using Parallel port of the PC.

3) CD – ROM player.
This is a very low budget player. The old CD-ROM that had an audio out is used. Designed a simple circuit to convert the battery's 12 V DC to 5V DC. Self amplified speakers or headphones can be used. Plays only Audio CDs. Can be used any where without a PC.

4) 3-Dimensional display Demo
Explanation of how 3D Displays work using 3D Projectors and Shutter Glass.
Demonstrate the 3-D display using Red/Cyan Filter or Polaroid Filter.
Software used: nVIDIA stereoscopic drivers.

Academic Achievements:

Event	Organizer	Year
Special Consolation in "Milestones in Science"	The Indian Express's Youth Expression	1998-1999
Special Consolation in "Medals of Honour"	The Indian Express's Youth Expression	1999-2000
Special Consolation in "Excellence in English"	The Indian Express's Youth Expression	2000-2001
Second Prize in "Quest for Knowledge"	The Indian Express's Youth Expression	2000-2001
First Prize in "Quest for Sydney Olympics"	Zilla Parishad, Pune	2001-2002

Personal Information:

Name: Parvez Mahmood Ghadialy.
Residential Address: 4, Gulmohar Classic, Inside Parmar Nagar, Opposite Vishal Megamart,
                            Fatima Nagar, Pune: 411 013.
Date of Birth: 16th June, 1986.
Email ID: parvez.g@gmail.com
Nationality: Indian.
Cellular Phone No. 9766606450
Sex: Male.
Languages (in order of fluency): English, Hindi, Marathi, French
Hobbies: Motorbike Touring, Philately (Postal Stamp Collection), Numismatics (Coin Collection), Solving the RUBIX.
Other leisure time activities: Surfing the Internet, reading books on Science and technology, solving the SUDOKU.

I hereby declare that the above information is true to the best of my knowledge

                                                                    Parvez M. Ghadialy.
